

RADIANT PUBLIC SCHOOL, LUCKNOW
NEWSLETTER – FEBRUARY, 2025

“Out with the old, in with the new, it’s time for us to gear up for the end of this year and the start of everything new.”

Dear Parents,

February is here and so is the end of our academic session this year. Whilst our senior most students gear up for the life defining board exams, our junior students also gear up for their annual exams this month.

As always, we hope that the joint efforts of our students, teachers and parents bear sweet fruits this term and we wish all our students all the best for these exams.

This month marks the end of this session, and after the final exams, our students will be stepping into a new year and a new grade as they hit upgrade on their educational journey

As always, we extend our heartfelt gratitude to all the parents in the RPS family for their constant support and faith, and hope for it to continue in the days to come!

All the best!

*Regards
Indrani Babu
