NEWSLETTER – MAY, 2025

“One step towards consistency, makes for a lifetime of good habits.”

Dear Parents

Greetings!

Here comes another month into this academic year, as we usher in the cool vibes to the beat the summer heat, we also gear up for yet another fun filled, activity studded month of discovering ourselves and growing with each other.

This month we have a beautiful line up coming up after an April ending in Compassion and service to the community. This month we will be bringing forth newer venues to unleash the best in ourselves while testing our limits and stepping outside our comfort zone.

As we move along, this month will be lined with anticipation of the results of the board batch and also see us bid each other a short adieu for the summer break before we're back with a bang to beat the heat with another packed session of learning, discovering and thriving.

As always we are extremely grateful to all our parents without whose support we would not be able to make each month such a lasting success.

All the best!

Regards
Indrani Babu
Principal
