MANGO DAY CELEBRATION

Celebrating the King of Fruits

A day full of sweetness, laughter, and learning marked the Mango Day Celebration at Radiant Public School. Students and teachers enthusiastically participated in engaging activities, shared joyful moments, and relished the delicious taste of fresh mangoes together. The celebration beautifully combined education with enjoyment, inspiring children to appreciate nature's seasonal gifts while fostering creativity, togetherness, and healthy lifestyle habits. The Mango Day Celebration at Radiant Public School was a refreshing experience that filled the campus with happiness and enthusiasm.

The event encouraged healthy eating habits while strengthening the spirit of friendship, creativity, and joyful learning that defines the Radiant family.

SCHOOL REPORTS

Children from different sections of society visited the CMS Community Radio centre and gained insights into diverse aspects of personality development

Personality development workshop at CMS Radio

LUCKNOW: City Montessori School, in collaboration with the Vijayant Khand Welfare Committee, organised a Child Personality Development Training Workshop under the aegis of CMS Community Radio.

As part of the programme, children from different sections of society visited CMS Community Radio 90.4 FM at the Gomti Nagar Campus I and gained insights into different aspects of personality development.

Earlier, Ravindra Tripathi, head of CMS Community Radio, welcomed the children and S K Srivastava, president of the Vijayant Khand Welfare Committee, and introduced them to the functioning and broadcasting process of the community radio station.

During the workshop, Vanita Sharma, programme executive, CMS Community Radio, trained the children in script writing, voice presentation, and microphone speaking skills.

The children also shared their thoughts on personality development, social responsibility, the creative initiatives of Vijayant Khand, and environmental awareness. The interactive session proved to be inspiring and enriching for all the participants.

On the occasion, S K Srivastava paid tributes to late Jagdish Gandhi, founder of CMS, and expressed gratitude to founder-director Bharti Gandhi and manager Prof. Geeta Gandhi Kingdon for providing children from diverse sections of society with opportunities for personality development.

CMS Community Radio is working towards character building and personality development of the younger generation through educational and awareness programmes, according to a CMS press release.

Redyent School to host CBSE basketball

LUCKNOW: Redyent Public School, Lucknow, is set to host the prestigious CBSE Cluster IV Basketball Championship (Girls) 2026-27 from July 21 to July 25 at its campus located at Sabakhera, Ekta Nagar on Raebareli Main Road, Lucknow.

The five-day championship will bring together around 60 CBSE-affiliated schools from across the Cluster IV region. Talented young athletes will compete in the Under-14, Under-17, and Under-19 (Girls) categories.

The tournament aims to promote sportsmanship, discipline, teamwork, and excellence in basketball while providing a competitive platform for emerging players to showcase their skills. The event is

expected to witness exciting matches as participating teams compete for top honours.

School authorities have made comprehensive arrangements to ensure the smooth conduct of the championship, including competition venues, accommodation, medical assistance, security, and hospitality for participating teams and officials.

The management, principal, staff, and students of Redyent Public School have extended a warm welcome to all participating schools, coaches, officials, and guests.

They expressed confidence that the championship will be remembered for its high standards of organisation and competitive spirit. Well-known CBSE schools will compete in it.

HT PACE DEBATE WRITING CONTEST (CLASSES 6 TO 12)

Should single use plastic be banned?

Featured today are the winning entries sent by Class 7 students on an issue that has a bearing on the future of all the people and our planet. Young minds have expressed views on the subject given above. Judging the several good write-ups received was tough task.
