EARTH DAY ACTIVITY

Celebration of EARTH DAY

 Radiant Public School celebrated Earth Day with enthusiasm, inspiring students to become responsible guardians of our planet. Through creative activities and environmental awareness initiatives, young minds pledged to build a greener and more sustainable future.

The celebration encouraged young minds to adopt simple yet meaningful habits such as conserving water, reducing waste, and keeping the environment clean. Together, the school community reaffirmed that every action counts in building a healthier and greener future for generations to come. Earth Day is widely observed on 22 April to promote environmental awareness and action.

🌱 Earth Day at Radiant Public School 🌍

From planting trees to spreading awareness, our students embraced the spirit of environmental stewardship with enthusiasm and creativity. Together, we pledge to nurture nature and create a cleaner, greener tomorrow. Every leaf matters, every action counts! 💚

The background is a solid blue color. It features several large, overlapping geometric shapes in yellow and dark blue. In the top left, there is a yellow L-shaped block. To its right is a vertical dark blue rectangle. Below the yellow L-shape is another yellow block. In the center, there is a white horizontal rectangle containing the text "THANK YOU". At the bottom, there is a large yellow rectangular area. On the left side of this bottom area is a vertical dark blue rectangle. On the right side of the bottom area, there is a yellow L-shaped block.

THANK YOU
