PARENT TEACHERS MEETING

**PARENT TEACHERS MEETING
at RADIANT PUBLIC SCHOOL
AUG,2026**

A Parent-Teacher Meeting (PTM) is an important platform that brings parents and teachers together to discuss the academic progress, behaviour, interests, and overall development of students.

At Radiant Public School, PTMs provide an opportunity to strengthen the partnership between home and school, ensuring that every child receives the guidance, encouragement, and support they need to flourish.

During the meeting, teachers share valuable insights into students' classroom participation, learning progress, strengths, and areas that may require additional attention. Parents, in turn, get an opportunity to share their observations, concerns, and suggestions. This open and meaningful communication helps both educators and parents understand each child better and work together towards their growth.

At Radiant Public School, we believe that when parents and teachers work together, children are empowered to achieve greater heights. PTM is not merely a meeting—it is a partnership dedicated to nurturing every child's potential.

At Radiant Public School, we believe that when parents and teachers work together, children are given the confidence, guidance, and opportunities they need to reach their full potential. Together, we continue to nurture young minds and shape a brighter future.
