Empowering Our Young Girls Through Knowledge & Awareness

Radiant Public School recently organised an insightful and interactive Free Puberty Education Workshop in collaboration with Whisper India for girls from Grades 5 to 12. The initiative aimed to provide students with accurate knowledge, awareness, and a safe space to discuss important aspects of puberty and menstrual health.

The session was thoughtfully facilitated by Ms. Shruti Shukla, who engaged the students in an open, informative, and reassuring discussion. The workshop covered several important topics, including:

-Understanding the physical and emotional changes during puberty
-Developing a healthy and positive understanding of the menstrual cycle
-Importance of personal hygiene and healthy practices

The interactive nature of the session encouraged students to ask questions, clear their doubts, and approach puberty-related topics with greater confidence and awareness. By creating a comfortable and supportive environment, the workshop helped address common misconceptions and encouraged students to view menstrual health as a natural and important part of growing up.

Radiant Public School extends its sincere appreciation to Whisper India and Ms. Shruti Shukla for conducting such a meaningful and empowering session. Initiatives like these play an important role in nurturing confident, informed, healthy, and self-aware young women.

Empowering Our Young Minds: Awareness Session for Boys (Grades 5 to 12)

At Radiant Public School, we believe that education extends beyond textbooks to encompass personal growth, well-being, and vital life skills. To support our young male students through their transitional years, an impactful awareness session was conducted specifically for Grade 5 to 12 boys.

The session was personally led by our Hon'ble Principal, members of the Science faculty, and male teaching staff, ensuring an atmosphere of trust, scientific clarity, and strong mentorship.

Key Topics Covered:

Personal Safety & Boundaries:
Understanding good touch vs. bad touch, recognizing personal boundaries, and speaking up without hesitation.

Adolescence & Puberty:
Science-based explanations of physical growth, biological shifts, and body changes during teenage years.

Hygiene & Self-Care:
Essential daily personal hygiene practices crucial during adolescence.

Emotional Well-Being:
Navigating mood shifts, managing stress, and developing mental resilience.

Healthy Relationships & Respect:
Thoughtful guidance on understanding infatuation and evolving feelings, while fostering respect, empathy, and healthy boundaries toward girls and peers.

By bringing together school leadership and mentors, the session provided a safe, supportive environment where students felt comfortable learning and asking questions. We remain dedicated to guiding our boys into healthy, respectful, and responsible young men.
